

## 5152 (5024) Plain Bob Major

J W Holdsworth

23456      W    M    H

-----  
42356                            -  
62354                            s  
52364          s    4  
65324          -    4  
26354          -    4  
56324          s    4  
25364          -    4  
34256          -    3    -  
24635          3    -  
64532          4'   -  
24536          4'   s  
54632          4'   -  
64235          4'   -  
54236          4'   s  
23456          s            -

-----  
3 = -s-; 4 = -s-s; 4' = s-s-.

A palindrome.

Omit any one block of 4.

For 5024 start x14x18 (from the 'wrong' in 2nd course).

3-4 coursing throughout if 5024.
